

"Musicality"

By Johnna Crider

Whisper
Breathe a prayer
To God
For you
Wish
I was the anthem
You sing
Wish
It was me
You sing to
You could be my
Lullaby
Could be yours
Only
Yes I breathe
The prayers to God
For you
Yes I ask God
To love you
Since you won't let me
Yes I ask God
To be yours
Since you don't want me
Shall continue
Praying
Weep
My song clashes with yours
No harmony
No musicality
Not with you
But--
Ask God to
Take your hand
Look into your eyes
Sing the song
I cannot sing
Write the poem
I cannot write
